

Approved For Release 2003/12/04 : CIA-RDP81-00706R000200030023-9

The following listed Russian periodicals are being received by the  
Right Hand Reference Library:

Acta Physico-Chemica (Physico-Chemical Journal)  
Astronomical Journal  
Bulletin of the Academy of Science,  
Section of Chemical Science  
Bulletin of the Academy of Science,  
Section of Technical Science  
Electricity  
Frigid Zone Research  
Geography and Geophysics  
Glass and Ceramic Industry  
Journal of Analytical Chemistry  
Journal of Applied Chemistry  
Journal of Experimental and Theoretical Physics  
Journal of General Physics  
Journal of Physical Chemistry  
Journal of Technical Physics  
Machine Tools & Cutting Tools  
The Mathematical Symposium  
Mathematics  
Oil Industry  
Physics  
Progress in Chemistry  
Radioelectronics  
Reports of the Academy of Science  
of the U. S. S. R. Computers Bureau  
Textile Industry  
Defense  
Applied Mathematics and Mechanics

The following periodicals are received from the State Department on  
48 hour loan for microfilming:

Achievements of the Mathematical Sciences  
Achievements of the Physical Sciences  
American Technics and Industry  
Automatics and Telemechanics (Review of Automatic  
devices and Remote Control)  
Bulletin of Inventions  
Bulletin of the Ministry of Higher Education  
(i.e. Universities and Colleges)  
Electrical Power Plants  
File - Index "Takhkart" (Technical)  
News (Review) of the Technical Literature  
Technics of the Air Force
